Fly Tying, Fly Casting, Honeymoon Island

Hello TCFE Fly Fishers. Not too much to report.

We are continuing to improve our club communications. Our fly tying club will start to meet next month. We will continue to offer fly casting instruction and trips to Honeymoon Island.

We will also have our annual shrimp boil some time in May.

Hope to see you all at our next meeting on April 13th at **Coyote Rojo #4**, 5375 Spring Hill Dr, Spring Hill, FL 34606

Fly Casting Clinic.

Heard about those big Alligator Gar in the Chassahowitzka River taking flies?

You'll see in the ad alongside that we are inviting the public to the TCFE Fly Casting Clinic. Our goal is TCFE membership growth through increased local awareness of TCFE.

It wouldn't surprise me if a lot of people show up so we need TCFE members who really know how to cast a fly rod as well as tell a good fish story. This is a great opportunity to show how it's done.

TCFE's advertisement for the Fly Casting Clinic

We posted the following on Next Door Hernando:

"Heard about those big Alligator Gar in the Chassahowitzka River taking flies? Come to the TCFE Fly Fishing Clinic and hear all about it. Learn how to fly cast and learn about the toothy, dangerous Gar, plus other local fish stories.

Saturday, April 9th, 10:00 am - 1:00 pm.
